Our Mission

Our mission is to provide the best affordable home healthcare services to the community we serve.

We are committed to delivering compassionate care with the upmost dignity and respect. CHHC aims to restore patient's independence, health and safety by improving outcomes and enhancing the lives of those in our care.

Who We Are

We are a family owned and operated business licensed by the Virginia Department of Health to provide in-home health care services. We are fully insured, licensed and bonded.

Our goal is to create a partnership with all patients to include their primary health care team, and their families to maximize their ability to fully rehabilitate, gain their independence and maintain their safety and welfare in their environment of choice.

Working For Us

We are an equal opportunity employer. For employment opportunities please call our office during business hours. We offer competitive compensation and salaries for:

- Certified Nurses Aides
- Home Health Aides
